- Acceptance of extension quote must be signed by the student and received by Client.Support Agent support@colleges.co.za ten (10) business days before course expires.
- Proof of payment of extension must reach Client Support Manager support@colleges.co.za five (5) business days before the course expires.

4.2 Extension Process and procedure

The student must submit a written request to support@colleges.co.za to apply for an extension of registration sixteen (16) business days before the course expires.

The process and procedure for extension of studies must be administered and completed by the Client Support Manager. The Client Support Agent presents the final completed application, with supporting documents, to the Student Support Manager for approval and final signoff.

The following checklist with the proof thereof must be presented to the Client Support Manager for signoff ten (10) business days before the course expires:

- The correct expiry date of the student's studies.
- The status of the student's account. (Student may only apply for an extension if account is paid in full).
- The completed and signed student extension application form.
- A quote, indicating the charge for the requested extension period (to be signed by the student).

4.3 Extension Validity

- The student will receive the quote for extension of studies within one (1) business day of submitting a signed application for an extension to *Optimi College*.
- The quote for extension of studies will be valid for *22 business days* from received by the student.
- The extension is in effect once proof of payment is received (at least one (1) months payment in advance).

4.4 Final Verification of Extension

- After proof of payment has been received from the student, a final confirmation of extension must be issued and sent out to the student by the Client Support Agent within one (1) business day.
- The Student Support Agent will update the student's details on QBIT by adding:
 - New expiry date
 - Update "tab section", Extension tab
 - All relevant information is sent to student finance to initiate extension invoicing
